In honor of Earth Day & Earth Awareness Month, the City of Springfield invites you to participate in the City's 29th Annual Earth Awareness Fair

Unable to celebrate the 50th anniversary of Earth Day last year, we are switching it up. In order to provide both safe conditions and a unique, fun experience, the City has partnered with the Springfield Park District who will host this year's event at the Henson Robinson Zoo. This year's theme is "**Out of the Box**" and will focus on resilience, stewardship, and sustainability. We are in need of volunteers to help with set up, tear down, vendors, and/or "traffic control".

If interested in helping, please fill out the attached registration form and return it no later than **Friday, March 26th**

Thank you for taking part in our annual, local Earth Day celebration!
